Caution Concerning Forward-Looking Statements

Except for historical information provided herein, this press release may contain information and statements of a forward-looking nature concerning the future performance of Dorel Industries Inc. These statements are based on suppositions and uncertainties as well as on management's best possible evaluation of future events. The business of the Company and these forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ from expected results. Important factors which could cause such differences may include, without excluding other considerations, increases in raw material costs, particularly for key input factors such as particle board and resins; increases in ocean freight container costs; failure of new products to meet demand expectations; changes to the Company's effective income tax rate as a result of changes in the anticipated geographic mix of revenues; the impact of price pressures exerted by competitors, and settlements for product liability cases which exceed the Company's insurance coverage limits. A description of the above mentioned items and certain additional risk factors are discussed in the Company's Annual MD&A and Annual Information Form, filed with the securities regulatory authorities. The risk factors outlined in the previously mentioned documents are specifically incorporated herein by reference. The Company's business, financial condition, or operating results could be materially adversely affected if any of these risks and uncertainties were to materialize. Given these risks and uncertainties, investors should not place undue reliance on forward-looking statements as a prediction of actual results.
