

PUBLIC NOTICE

The Dorel Juvenile Group (Canada) in cooperation with Transport Canada issues the following public notice regarding the Cosco Summit Combination High Back Booster/Child Restraint; model 22-26C HOU. This model was produced between June 24/02 and July 9/02. The model number and date of manufacture can be found on a label located on the side of the car seat.

200 units have been distributed to consumers with the tether strap adjuster threaded incorrectly, allowing it to slip. There have been no injuries reported. Consumers can receive a free instruction sheet that will allow them to make the necessary correction by contacting the Dorel Juvenile Group at:
